Laboratory Information:

Sample # 041-716 Date Received 7/17/2023 Date Tested 7/17/2023

Analysis was performed according to A.O.A.C. Official Method 991.31 using an immunoaffinity column cleanup with high performance liquid chromatography (HPLC) and was found to have the following Aflatoxin levels. In shell pistachio results are reported on a kernel basis for a 50/50 shell/kernel ratio. Results are not corrected for measurement of uncertainty. Results in excess of 39.0 Total ppb are estimated values. Results are reflective of the sample(s) submitted

Aflatoxin (ppb)
