Confirmation on the exclusion of GMO and GMO derivatives

We endeavour very much to meet the request of our customers for product free from genetically modified organisms (GMO). QINGDAO WENDY WU FOODS CO.,LTD confirms that the products supplied (this applies to ingredients, additives, aroma, carrier substances and technical adjuvants except enzymes).

- are not, do not contain of GMO;
- are not produced from GMO or do not contain ingredients, additives, aroma or carrier substances produced from GMO although they do no longer contain those and are no longer detectable;
- comply with the rulers of the following regulations: o EU: Regulation (EG) no. 1829/2003 on genetically modified food and feed o EU: Regulation (EG) no. 1830/2003 concerning the traceability and labeling of GMO and the traceability of food and feed products produced from GMO o CH (Switzerland): regulation on genetically modified food (VGVL). SR 817 022.51
- respect the following limits concerning unintentional contamination with GMO non-organic products;
- CH/EU: allowed GMO: <0.9%
- CH/EU: not allowed, but positively judged GMO: <0.5%

Organic products:

- CH/EU: allowed GMO: <0.9

GMO agreements with our suppliers, including of course the guarantee of a complete traceability, help to achieve these goals. Furthermore, our suppliers of critical raw materials (in particular maize, soy and their derivatives) have to send us GMO analyses with every delivery. In addition, we examine our raw materials in the frame of the self control according to internal check plans.
